Frédéric Worms

**Vivre en temps réel- *Live in real-time***

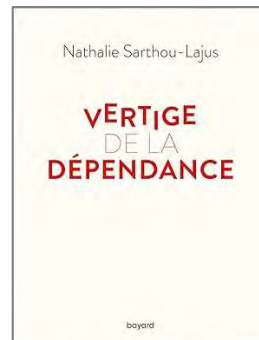

What if the crisis taught us to reinvent our relationship with time?

Here is an essential reflection on the temporal experience disrupted by the pandemic. Faced with urgency and fear, he invites us to rediscover a happy relationship with time, capable of reconciling the present, the future and the meaning of life. An inspiring reading to transform a trial into a collective and human opportunity.

EAN: 9782227490680  
RP: 17,90€  
Pages: 180  
Rights sold :

Nathalie Sarthou-Lajus

**Vertige de la dépendance- *Dizziness of addiction***

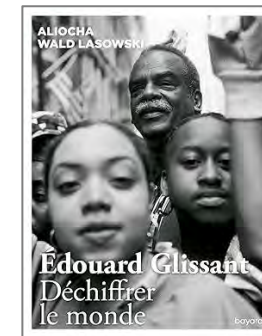

What if dependence was not always synonymous with alienation?

A novel reflection on addiction and dependence, exploring their philosophical roots. It questions the destructive spiral of addiction, but also the possibility of a fruitful dependence, the one that connects us and opens us to the other. A stimulating essay that invites us to rethink our fragilities to better live together.

EAN: 9782227499263  
RP: 18,90€  
Pages: 240  
Rights sold : Italian

Aliocha Wald Lasowski

**Edouard Glissant. Déchiffrer le monde-  
*Edouard Glissant. Decipher the world***

Enter into chaos to reinvent the world.

The author revisits the thought of Édouard Glissant to shed light on our fractured societies, from the trauma of slavery to the struggles against racism. Between poetry, philosophy and politics, he explores the strength of "relationship" and the promise of a creolized world, open to the encounter of cultures. A vibrant book that offers keys to overcome identity barriers and think about the future.

Guillaume Le Blanc

## **Insurrection des vies minuscules-** *Insurrection of Small Lives*

Inspired by Chaplin's humanism, this book argues for reclaiming dignity through the overlooked, fragile, and ordinary aspects of life. It positions small gestures and vulnerable existences as catalysts for democratic renewal. A philosophical call to rethink political agency from below.

EAN: 9782227497986 –  
RP: 17,90€ - Pages: 152  
Rights sold:

## **Que faire de notre vulnérabilité?-What** *Should We Do With Our Vulnerability?*

A concise exploration of how vulnerability—often viewed as a weakness—can instead foster solidarity and collective strength. The book reframes fear of exclusion as a space for empathy, resilience, and connection. An accessible reflection on the ethics of care.

EAN: 9782227496941  
RP: 15,00€- Pages: 119  
Rights sold :

Marie-Françoise Sales

## **Des sourires et des hommes- Of Smiles and** *Men*

A sensitive philosophical exploration of the smile as a window into our humanity.

The author uncovers how this simple gesture reveals freedom, vulnerability, and the hidden emotional landscapes that structure our relationships. A fresh lens on everyday life and the depth concealed in ordinary expressions.

EAN: 9782227498044  
RP: 19,90€  
Pages: 368  
Rights sold :

Marie-José Mondzain

## **Homo Spectator**

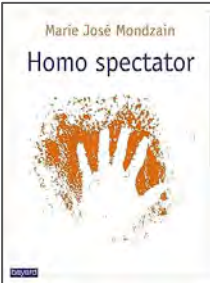

A powerful examination of how images shape political life and collective imagination. The author argues that reclaiming a critical, active gaze is essential to preserving social bonds in a world saturated with screens. A compelling call to rethink our visual culture.

EAN: 9782227486836 -RP: 24,90€ -  
Pages: 300  
Rights sold : Portuguese (EU)

## **L'image peut-elle tuer- Can Images Kill?**

An incisive inquiry into the disturbing power of images—how they can wound, manipulate, or incite violence. By dissecting shocking visual phenomena, the book offers tools to resist emotional overload and reclaim autonomy in the face of media aggression. A concise and timely contribution to visual ethics.

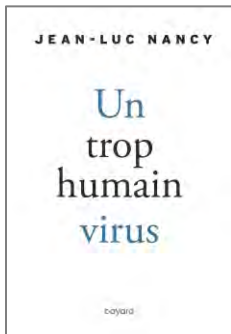

EAN: 9782227488526

## Générations Laudato si'- *Laudato si'* *Generations*

When ecology becomes a path of faith.

Five years after *Laudato si'*, the Catholic Church is committed to a genuine ecological conversion. This book paints the portrait of a generation inspired by Pope Francis, who connects faith and environmental issues through concrete initiatives. A dive into the diversity of Christian ecology, between spiritual renewal and commitment to the planet.

Catherine Chalier

**Comme une clarté furtive- Naître, mourir - A Fleeting Clarity — Birth, Death**

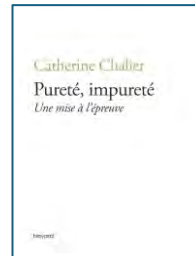

Think death to love life better.

Catherine Chalier explores human birth and finitude through a luminous reflection on life and death. Far from melancholy speeches, it invites us to make the thought of death a source of urgency to intensify our love for life. A philosophical and spiritual text that connects ancient wisdom and contemporary hope.

Rights sold : Italian

Catherine Chalier

**Pureté, impureté- Purity, Impurity**

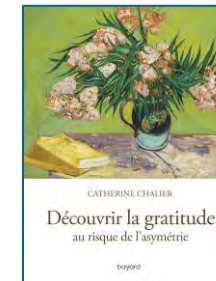

Give back meaning to purity to watch over life.

Catherine Chalier revisits the notion of purity, compromised by history and forgotten in our societies, to reveal its life-giving force. At the crossroads of philosophy and Jewish sources, she distinguishes a purity that transforms our gaze without pulling us away from the world. A bold and luminous reflection that rereads the rites as a vigilance against the death forces.

EAN: 9782227494725

**Découvrir la gratitude - Discovering Gratitude**

Gratitude, a fragility that enriches us.

Catherine Chalier questions the difficulty of thanking and the complexity of gratitude, between fragility and richness of human relationships. Through a philosophical and spiritual reflection, she shows how recognizing the asymmetry of the gift can transform our perspective on life. A luminous text that invites us to rediscover the inner strength to say thank you.

Dominique Greiner

## Réparons l'église- *Let's Repair the Church*

Faith, Church, Society

Reacting, understanding, rebuilding: the voices of the faithful on the front line.

Following revelations of sexual abuse in the Church, the Pope's "Letter to the People of God" sparked a widespread reaction among the faithful in France. Dominique Greiner offers an insightful summary, revealing a mature, responsible voice eager to combat clericalism, identified as the root cause of the abuse. This work highlights the active participation of the faithful in the necessary process of reform and healing within the Church.

Pierre Gibert

**Quand les peintres lisaient la Bible- *When Painters Read the Bible***

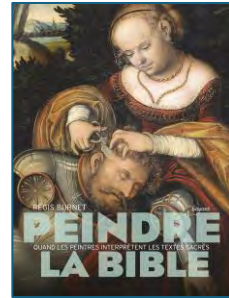

When the Renaissance reinvented the Bible in images.

Pierre Gibert traces how the Cinquecento, marked by the widespread distribution of the Bible, transformed the artistic representation of biblical stories. Freed from allegory, painters now interpreted the text realistically, influenced by humanism. An aesthetic and spiritual journey that reveals a true revolution in the way the Bible was viewed.
